

“HOME” Décor Framed Art Tutorial

This is a FREE tutorial. Thank you for visiting my blog and hopefully, for subscribing. I am happy to share tutorial this with you. You can use it for your own project or even for a class. Please do not sell this tutorial.

All supplies are from Stampin' Up! although some are retired. If you do not have the retired items, you can use a substitute. I will attempt to give some substitution ideas.

HAVE FUN! ENJOY!!

This is a project that fits into a 5" x 7" photo frame. I purchased mine from Michael's.

Scallop Circle Die cut:

- 1 Silver Foil
- 1 Gold Foil
- 2 Pineapple Punch
- 2 Call Me Clover
- 1 Pumpkin Pie
- 2 Balmy Blue
- 1 Pool Party
- 1 Cajun Craze
- 1 Gorgeous Grape
- 1 Blueberry Bliss

The Base is Whisper White Thick 5" x 7"

Top panel is Whisper White 4" x 6" run through Simple Stripes Embossing Folder (EF)

The Basic Black letters are cut with the Large Letters Framelits and fit onto the 4" x 6" panel

Use the lines on the panel to line up the letters.

You can see that there is a Velcro dot between the H and M. I used the THIN Velcro dots from WalMart. Place one side of the Velcro on the page and attach the other side STICKY SIDE UP, onto it. Once your 'O' is finished, place it where you want it then press down on the center for correct placement of the Velcro on the back of the circle.

Birthday Month

Start by Stamping cake platter from Piece of Cake with black Staz-On ink onto silver foil scrap. Set aside to dry.

Punch 2" Whisper White circle. Stamp the cake topper image from Amazing Life close to the top of the circle using Poppy Parade ink. Line up the cake image from Piece of cake directly under the topper. Color cake with Pineapple Punch and Poppy Parade markers. Adhere this to Pineapple Punch Scallop Circle (SC). When dry, punch the cake stand using the Cake Builder punch. Add to bottom of cake. It will hand off the bottom of the circle.

January

Die cut snowflake with Blizzard Thinlits from Sparkle glimmer paper.

Punch a 2" Blueberry Bliss Circle then adhere to Balmy Blue Scallop Circle (SC)

Add large Clear Rhinestone Basic Jewel to the center.

February

Die cut the largest Doily Builder Framelit from Real Red cardstock. Die cut the center of the doily with the scallop circle thinlit then layer this onto the Silver foil SC.

Stamp Heart from Meant To Be with Black Staz-On and die cut with Be Mine Stitched Framelit. Color the flowers and leaves using Real Red, Flirty Flamingo and Garden Green markers.

Stamp sentiment from Forever Lovely with Real Red ink onto Whisper White and hand trim. Glue to heart then adhere heart to layered SC with dimensionals. Add clear rhinestone basic jewel.

March

Punch a 2" Soft Sea Foam circle. Adhere to Call Me Clover (CMC) SC. Punch the tiny flower with a very small flower punch. (the one I used is retired)

Stamp the hat from Best Bunny on CMC with CMC ink and fussy cut. Stamp the band portion of the hat on the back of gold glimmer paper and cut out.

Stamp the bearded face from Family & Friends on Petal Pink with Soft Suede ink. Punch with 3/4" circle punch then fussy cut up to ears.

Stamp bow from Best Bunny with CMC on Soft Sea Foam circle as shown. Glue gold band onto hat and glue dot the flower in place. Adhere face and hat with liquid glue. Add 2 gold metallic pearls as shown.

April

Punch bunny from Crumb Cake cardstock with Bunny Builder punch. Stamp with Best Bunny images in Early Espresso (EE). Punch Tail from Whisper White and stamp w/EE. Cut one Garden Green SC to trim & adhere to the bottom of the Balmy Blue SC as shown for grass. Assemble bunny using dimensionals only on his head.

May

Punch a 2" circle from Whisper White Cardstock. Stamp images from Bloom By Bloom as shown with following colors:
 Large flower – Lovely Lipstick
 Stem and leaf – Granny Apple Green (GAG)
 Inside of flower – Gorgeous Grape
 Add a GAG Sparkle Enamel Dot to flower center
 Glue to Gorgeous Grape SC.

July

Punch a 2" circle from the Real Red striped sheet in the Regals 6" x 6" DSP. Adhere to the Blueberry Bushel SC. Stamp star from Wood Words in Blueberry Bushel and die cut with star from Wood Crate. Dimensional onto SC.

June

FIRST stamp the row of wine glasses from Half Full with black Staz-On. Single out the shortest glass and color the wine with Merry Merlot marker. Add fine tip glue to the wine for dimension. When completely dry, fussy cut and add to chair as shown. Emboss Pineapple Punch SC with the Subtle embossing folder.
 Use Seasonal Layers to die cut the Adirondack chair from Soft Suede cardstock. Use Hardwood stamp to stamp over the chair with Soft Suede ink. (looks better having grain go across rather than vertically) Cut very narrow strips from edges of mini dimensionals to adhere the chair to SC.

August

Using Lilypad Lake stamp set, stamp the water with Pool Party ink onto SC of same color. Stamp the boats with black Staz-On on Whisper White. Color with Blueberry Bushel, Real Red and Pineapple Punch markers. Die cut boats with die in Lakeside set.
 Punch a 1/2" circle from So Saffron.
 Glue the sun and small boat in place. Add the boat duo with dimensionals.

September

Stamp the Colorful Seasons solid leaf with Cherry Cobbler on Whisper White. Punch with the 2" circle punch. Adhere to Cajun Craze SC.

Die cut Seasonal Layers leaf (as shown) from Soft Suede scrap. Glue over the stamped leaf, being sure it lines up. (tip: add adhesive sheet to Soft Suede piece before die cutting). Add gold metallic pearl to the base of the leaf where stem attaches.

November

Punch three Large Ovals (retired) from Pumpkin Pie cardstock. Emboss with Subtle EF. Arrange and adhere the three ovals as shown. Add a small stem hand cut from Soft Suede cardstock.

October

Emboss the Pumpkin Pie SC with Dot to Dot EF. Punch Cat from Basic Black cardstock. Stamp "Spooky" (or any Halloween word since this is from a retired set) onto Whisper White scrap, cut down to desired height, glue onto cat then trim around the edges. Add cat to SC with dimensionals. Add clear rhinestone basic jewel for cat eyes.

December

Stamp two trees from Winter Woods with Garden Green (GG) ink on to GG cardstock. Die cut the two different trees from In The Woods. Work with the smaller tree to "poof out" the branches. Adhere small tree to large tree. Add Cherry Cobbler bows die cut from (retired) Festive Farmhouse. Use the Twinkle Builder punch to punch gold glimmer star for atop the tree. Glue the tree to gold foil SC and add star with mini dimensional.
